Dear Sir or Madam,

As a highly skilled and hardworking Frontend web developer with 4 years of experience, I am writing to express my sincere interest in the Mid-level 'Frontend web development position' at your company. My experience aligns well, as I know I would make a valuable addition to your company organizational culture and team.

After working for over 4 years as software web development field, I do feel to have an exceptional knowledge in the Design, Development of a web application, keeping projects moving, submitting deliverables and ensuring a seamless experience for all parties involved within the project. Moreover, while my previous position afforded me a well-rounded skillset, including excellent relationship building and time management skills, I excel at:

- ✓ Outline project scopes, managing timelines, and deadlines.
- ✓ Tracking and reporting on overall tasks progress.
- ✓ Managing daily, weekly and monthly tasks in an efficient way.
- ✓ Communicating with team leads and other teams' member in an efficient way.
- ✓ Solving real world problem by using technology.
- ✓ Always willing to learn new concept and technologies.

In addition to my experience and relationship-building experience, I do have a solid educational foundation and a passion for further projects that build loyalty and, in turn, grow revenue for your organization. I would much appreciate the opportunity to contribute to your ongoing growth and continued organizational success.

Please review my attached application for additional details regarding to my experience and achievements. Do not hesitate to reach me out if you have any questions or need further clarification on my experience. I would love to meet up with you and discuss this position in details.

Thanks, you for your consideration.

Sincerely,

**Pinto Manuel**
